

Hello everyone! Thanks for reading my story :) Please feel free to comment on your experience and include the suggestions you have! I'll be producing this story soon so any and all thoughts are very welcome here. Tear it apart if you feel inclined!

-Alex

Here are some questions I'd like you to consider: (please move beyond these if they're unhelpful with what you'd like to say about the story.)

- Are you a fan of the story?
 - Were you bored by it? Why?
 - Was it too long? Too short?
 - Did you like/root for Liam?
 - How about The Babysitter?
 - Did you expect the ending to end how it did?
-
