

- 1.Bluebert was taking a stroll down the city streets one day, when the nefarious evilbert came out and plucked one of Bluebert's many gorgeous hairs and ran off
- 2.Bluebert didn't think much of it as he was just trying to go about his business so he decided to continue like nothing happened

ONE WEEK LATER

- 3.Bluebert was once again taking his iconic daily stroll when he heard an explosion. He ran over to check it out and was faced with a rather odd situation
- 4.A whole army of Bluebert clones were wrecking the city, with evilbert at the center of it all! With a megaphone in hand, evilbert screamed
- 5.“Hahaha!!! Bluebert, welcome to my evil plan to ruin your reputation becoming manifest! After you burning the coil on my vape, I had to make sure EVERYONE knew how horrible you are, MWAHAHAHA”
- 6.“And even IF you can somehow make it through my army of evil clones, I have a secret weapon to use on you, the result of all this cloning becoming perfected!”
- 7.Bluebert was shocked, evilbert knew that his reputation was everything to him. He had to stop him from ruining it with his clones.
- 8.They may have looked nothing like him but he knew from the old legend of sonic adventure 2 that that didn't mean anything.
- 9.So he took it upon himself to defeat the army of evil Bluebert clones to save his reputation from being soiled...
- 10.And to save the town I guess...

AFTER FIRST DEFEAT

- 11.“woah, tough break buddy” Bluebert opened his eyes to a sea of white and an old guy with a beard standing over him
- 12.“Do not be afraid, I am God-bert” said the man. It seemed like Bluebert was unsuccessful in saving his reputation
- 13.“That damn evilbert has been a thrown in my side for some time now, but, being in heaven I can't really do anything about it”
- 14.Bluebert decided not to question the problems with an omnipotent being not being able to do own dirty work and listened to Godbert anyway
- 15.“I'll give you as many chances as it takes to defeat his evil clones of you and save the city. Each time you die, you come here, get some upgrades, and get back to it”
- 16.Bluebert, now filled with a renewed sense of purpose, agreed to Godbert's plan and set out to foil evilbert's schemr and save his reputation

AFTER GREENBERT DEFEATED

- 17.After a long and hard battle, all of evilbert's clones were finally defeated, Greenbert lied on the ground in front of him

- 18. Bluebert started to walk him but Greenbert stirred, Bluebert readied himself for round 2 but Greenbert sat up and said
- 19. "Woah woah woah woah... woah" Bluebert let his guard down and listened to his near perfect clone
- 20. "You seem pretty chill, maybe we should like, start a band and an underground fighting ring or something" Bluebert thought about it for a second before taking Greenbert's hand and helping him up
- 21. Evilbert then jumps out and falls down to his knees, hitting the ground with his fist in anger
- 22. "THAT CLONE ARMY WAS MY LIFE SAVINGS, CURSE YOU BLUEBERT I'LL GET YOU SOMEDAY"
- 23. "Shut up evilbert, you suck" bluebert and Greenbert said in unison. Then Godbert appears out of no where. "I'll take care of this one guys don't worry" evilbert gets surrounded by flames and screams in agony before disappearing
- 24. "See ya guys, thanks for the help" Godbert then disappears as Bluebert and greenbert walk out of the lair and set off to fulfill their somewhat unethical dreams...
