

Subject: Hey (Name), i Have something you May Find Valuable.

Hello (name), I have been watching your channel for years now, im especially a fan of your bees and cooking videos, but recently I thought I'd visit your website and perhaps see what you offered,

I couldn't help but notice a few features could be improved on your website. I'm sure you focus on your youtube channel primarily, but not maximizing the potential value from your website can be very costly to the potential income you can make.

Particularly I noticed when I signed up on your website I received no welcome email. A welcome email starts building an important connection with the reader, which can lead to updates for new videos and increase views and engagement with those videos and A good welcome email can have a 50% open rate, which causes a much more engaged audience.

I am an avid viewer of your content, and i'd love to see your channel grow even more, I have Attached a Welcome email you are free to use

If you are interested in more emails, or other services I could provide, I'd love to help you increase engagement from your audience. We can schedule a phone or zoom call at a time that would be convenient for you.

Thank you For reading (name),Have a Great day!
