

**Our approach centers on a reflective methodology, providing immediate crisis interventions while promoting holistic Wellness Advocacy Pillars.**

**Introducing our Wellness Support Services flyer:**

## **SBSC LLC: Your Partner in Holistic Well-being**

Welcome to SBSC LLC, where we serve as your advocate for well-being. Our mission is simple: to empower you to live a life of balance, loyalty, and love with Trauma-Informed Care (TIC).

### **Crisis Support Services**

In times of uncertainty, find solace in our Crisis Support Services. Our compassionate team, skilled in reflective practice, offers immediate assistance and guidance, providing a lifeline during difficult moments.

### **Care Coordination Program**

Take charge of your health with our Care Coordination Program. Through collaborative efforts, seamed in Holistic Well-Being. Grounded in reflective principles, we tailor personalized care plans to address your unique needs and goals, including screening, brief intervention, and follow-up support.

### **Wellness Advocacy**

Prioritize your well-being with our Wellness Advocacy Program. We're here to support you on your journey to optimal health, rooted in reflective approaches and offering guidance, resources, with encouragement every step of the way.

### **Guiding an Improved Dementia Experience (GUIDE) Program**

For individuals and caregivers navigating the challenges of dementia, our GUIDE program offers compassionate support and practical guidance within a reflective framework. Together, we'll navigate this journey with grace and zeal
