

Official Saskatoon Disc Golf Mini-League 2023 SEPTEMBER

Last revised on August 17, 2023

LEAGUE STANDINGS: click on link

[SDG Mini-League Standings 2023 July](#) - STILL OLD STANDINGS. WILL UPDATE AT END OF MONTH.

*NEW since JULY 2023 Mini-League: No weekly schedule. Just play two rounds at Diefenbaker and two rounds at Reid during the month at any time.

Important things to note

-**you must have a SDG 2023 membership** to participate in this mini-league

-it is a "PLAY-WHEN-WORKS-FOR-YOU" format

-every participant advances to a final card with a prize to compete for against their cardmates

-If a tie occurs with the cumulative Round 1-4 score then the lowest round score is the tie breaker and so on to determine who plays on what card for the finals

-must get all four rounds completed in September otherwise will be disqualified

-Modifications to discs for the purposes of placing lights on discs for night golf or ribbons on disc for snow golf will be permitted

-Play current mandatories and OB

Director: Kyle Wiens Phone: 306-716-1108

Email for sign up: saskatoonminileague@gmail.com

Fee: \$20 (plus DiscGolfScene fees)

Please register by Wednesday August 31. You must register before playing your 1st round.

Register using disc golf scene via this link www.dgscene.com/SDGminileague2023JULY

A group facebook message will be used to communicate league info. Individuals who need to find others to play with in the mini-league can do so on the Saskatoon Disc Golf Facebook group.

Two rounds during September at Diefenbaker and two rounds at Reid then FINAL at Diefenbaker once all scores are submitted and final groupings are made.

Finals Round: Hopefully participants are able to plan their final round with the group assigned to them within the two weeks following round 4 but if schedules are hard to align then it is ok to delay the final round to the earliest convenience of all participants on the card.

Round 1-4 combined scores will determine the seed for the final round cards. See this payout spreadsheet for planned payout and card groupings for the final round. Prize payouts are 115% of total collected league fees in the form of Escape Sports gift cards. THANKS

ESCAPE! (This year winners will be able to pick up their winning gift cards directly from Escape)

*** 📍 Saskatoon Disc Golf mini-league payout plan 2023 ***

For the final round, all previous scores are forgotten and final placing will only use the final round scores for each card and placement and prizes stay within each card.

If ties occur after the 4th round to determine who falls into what final round card then the lowest round score is the tie breaker, then next lowest, and so on. The lower score will place better and end up in the more competitive final card.

If there is a tie at the end of the final round between players on the same card then a sudden death playoff will occur for tied players in positions to accept prizes. *EXAMPLE: If prize available for 2nd place then those tied for 2nd would playoff to determine who gets 2nd place prize (This is different than standard PDGA tournament payout)*

In order to play a qualifying round you must play the round within the month of September. You must have your round witnessed by at least 1 member of Saskatoon Disc Golf.

You must declare with your witness that you are playing your league round before you throw your first throw for the round. And once you throw you are locked in and must complete and submit that round for that week.

You must complete all 18 holes on the course but if the course is busy you may start on a hole other than #1. Unless extenuating circumstances occur (family emergency, tornado, lightning/thunder, etc) please complete the round from start to finish in one outing. If there is an extenuating circumstance and your round must be suspended then you may return another time within the designated dates to play the remainder of the round and you must notify the league director.

If you must suspend a round due to lightning or emergency circumstances and you are unable to complete it within the designated dates then you forfeit the league (and the fee paid).

Please submit the score of the round using a uDisc score card and email a screenshot of the scorecard to saskatoonminileague@gmail.com. Please do this as soon after your round as possible and before the end September. Ensure you list all participants counting the round for mini-league.

Rules:

1. Standard PDGA rules (<https://www.pdga.com/rules/official-rules-disc-golf>)
2. Use the tee off locations on udisc. The layout to use should be current in uDisc. If you have questions or issues with layouts let Kyle know asap.

- a. If any tee pad is too muddy or bumpy to safely tee off from you may tee off further back

HAVE FUN THIS SUMMER!
