BETH AND JOEY
Our story began on crocdate!

INT. LIVING ROOM. DAY.

BETH and JOEY are seated by a window with their two children. They are both socially awkward and are staring at the ground, fidgeting, and scratching.

JOEY
We were living on complete opposite ends of the country. (voiceover) I was in Kentucky

CUT TO JOEY SHOWING UP TO A BUSINESS MEETING IN A SUIT AND ORANGE CROCS. HE IS ABOUT TO MAKE A DEAL WITH JAPANESE BUSINESS MEN UNTIL THEY SEE HIS SHOES AND LEAVE.

JOEY
And Beth was in Iowa.

BETH AT A LAME IOWA BAR TRYING TO HIT ON GUYS. IT WORKS UNTIL THEY SEE HER SHOES. THEY GET GROSSED OUT AND LEAVE.

BETH
And now here we are, madly in love with two kids later and if it wasn't for Crocdate... (voice over)

BETH STANDING IN FRONT OF A SHOE STORE. SHE ENTERS THE STORE AND TRIES ON A PAIR OF HEELS. SHE IS AT THE REGISTER READY TO BUY THEM. SHE GETS AN EMAIL ON HER PHONE FROM CROCDATE SAYING THEY FOUND A MATCH. SHE RUNS OUT OF THE STORE.

BETH
... we never would have met! Croc date means everything to me. Can you show any more of how successful it can be to go on crocdate and find your soul mate based on your shoes. It can work, see?!

BETH holds up her baby and you see he is wearing crocs.

JOEY
None of this would have happened without crocdate. Not us and neither of them. It's really that simple.

JOEY and BETH are standing up in a bedroom face to face but not making eye contact. They both take a step towards each other. Their crocs touch. JOEY gets a boner.

BETH

It's like I always say, if the shoe fits, then YOU wear it! I dont need 'em- I've got plenty of crocs at home.

JOEY, BETH, and kids pose for an awkward family photo.
