

Concordia Classical Academy Info & Teaching Job Description

CCA utilizes an established classical curriculum, drawing from the greatest thinkers of the Western tradition — the seven liberal arts, the great books, classical history, and Latin. Fostering careful reading and clear reasoning, teachers bring their gifts to material that has been forming minds for centuries.

The role of a Concordia Classical Academy teacher consists of leading students and supporting parents by teaching two days a week according to the Classical Latin Association training provided, and overseeing mastery of subjects and growth of Christian character.

-
