Beginning Drama is a semester-long class that follows the California State Middle School Performing Arts Curriculum guidelines. Students will study stage presence, vocal technique, character creation, improvisation, stage partnering and encountering audiences. This course will prepare them to be successful creators, communicators and collaborators.

All of our Elective programs are maintained by donations from the community and aren't given adequate funds for consumable materials or equipment from the district or school. We are fortunate to have a supportive community that values the quality and breadth of Electives offered to students and has kept our programs afloat through generous donations. Your donation is greatly appreciated!

In order to procure and maintain scripts, rehearsal props and furniture, microphones, our costume supply and other classroom and performance expenses, a donation of \$40.00 (or any other amount) would be greatly appreciated. Donations are entirely optional, and will be collected this week and happily accepted throughout the semester.

The per-student donation requested is \$40.00 per semester.

Donations may be made in cash or check.. Please be aware that I am unable to give change for cash donations. Checks should be made payable to IRON HORSE MIDDLE SCHOOL. All donations will be given a written receipt and are Tax Deductible!! Thank you for your continued support of the IHMS Drama Classes. If you have any questions or concerns please email me at the address above.

If you choose not to make a contribution your response as such is appreciated.

Please complete the requested information below and return this bottom section with your donation. Your receipt below will be returned to you.
