

Did you know about this dangerous healing prayer removed from the Bible? And this is the reason why people in ancient times lived with perfect health and vitality, even over the age of 100. Everything they've told you about healing the body is wrong. If this video has reached you, it's not by chance.

You may have already tried everything to overcome your health problems and had no results. So forget all about the law of attraction, meditation and affirmations, because none of that will actually attract divine healing into your life. The secret is to connect directly with divine power, a way of self healing that God created for everyone.

And you will never find this secret on Internet searches, in documentaries or in books. This knowledge has been kept secret since ancient times and purposely kept out of the reach of most people. That's why in the next 2 minutes and 17 seconds, I'm going to reveal this biblical secret of healing, which has already helped more than 14,000 people reverse serious illnesses such as diabetes, arthritis, vision problems and memory loss.

It doesn't matter how long you've been suffering with this pain or how old you are. It works regardless of your religion or belief. Because when you come into contact with divine healing, your body begins to regenerate completely from the inside out.

This affects your pain in a way that no modern treatment or medication ever could. I doubted it myself until I saw my wife heal from depression and diabetes in just a few weeks. So stay with this video until the end because you will see highly confidential information.

These truths have been removed from the Bible to keep you dependent on those who profit from pain and suffering. I tried to share this revelation with as many people as possible, but the pharmaceutical industry removed my YouTube channel and threatened my family. And you can see this on the security camera footage from my house.

But thank God. If you're watching this video, it's because they haven't managed to censor me completely yet. This could be your last chance to get your hands on the divine biblical secret that the world's most powerful families use to live with longevity and impeccable health.

But before I tell you that, first I need to explain how I discovered this healing secret. Hello, I am Pastor Matthew. And when I'm not spreading God's word directly, I spend my time studying the Bible and specializing in the New Testament for 41 years.

Like many Americans, I am fascinated by the Holy Book. Throughout my life, my Christian faith has guided every decision I made. Which is why today, I am going to give you the most important hidden biblical secret in human history.

According to biblical verses, this secret allows anyone Regardless of religion or age, to heal from any illness and prolong human life through divine sound frequencies proven by modern science. So if the universe brought you to this video, this is the answer to your prayers. Therefore, have faith.

We know that in the 4th century, Roman emperors Domitian and Trajan ordered the removal of over 40 books from the Bible for their own interests. This caused the secret of divine healing to remain hidden for millennia. This information is published on Google.

You can check it then. In 1938, workers in Jerusalem accidentally discovered this secret information while excavating a tomb in a cave. And what they found goes against everything the pharmaceutical industry and governments want you to know.

Because it will undoubtedly prolong your life, allow you to see your children and grandchildren grow up, and help you live a pain free and suffering free life. Curiously, all four excavators were found dead months after the expedition that discovered these hidden verses. Oliver Smith, for instance, who was the chief excavator of the expedition, was found dead in his home in Texas, and the official cause was suicide.

However, his autopsy report found no evidence connecting his death to suicide. One of Harvard's Most renowned doctors, Dr. Benjamin Wilson, believes that this biblical secret can eliminate pain, improve memory, cure insomnia, and boost energy.

And the explanation is simple. Experts claim this secret is the key to healing all health problems because it can renew all cellular telomeres. In other words, it can quickly renew all the cells in our body.

In two minutes, you will know exactly how to replicate this same biblical secret at home to regain the lost time that the pharmaceutical elite and people in power took from you and all of us. When I give you the secret, which is your purpose to know and why he brought you here, you will simply wake up, look in the mirror, and be amazed at what you see and feel without any pain. You will look at yourself and see someone strong and capable.

You will feel that your joints can handle climbing several flights of stairs. And you will realize that you can bend down and get up effortlessly because your spine will be rejuvenated. Your internal health problems will start to heal, and this will be evident in your energy and vitality.

Your face will radiate happiness and your family members will ask what you did. Unfortunately, people your age will still be in the same situation, while you will be almost as rejuvenated as you were at 25 years old. Just like Sarah, Noah and Methuselah, you too can learn the great secrets of biblical healing that were lost and hidden.

I could tell you how I dedicated my life to this. Studying theology, archaeology, Hebrew, and even the history of Israel to better understand ancient texts. But my story is not what matters most here.

However, for you to know how to use this biblical secret, I need you to understand how I discovered it. And the reason for all this is called Sophia. My daughter, Sophia, was born with cerebral palsy.

She couldn't speak, walk or hear. Put yourself in my shoes. My daughter, whom I had longed to have, was born with a paralyzed brain.

She couldn't even cry. She was trapped in her own body. There were days spent locked in a dark room with countless questions.

What did I do to deserve this, God? Why this? Why? And months were spent trying everything, spending money we didn't even have on doctors and treatments. The worst was when a renowned doctor told us that Sophia would pass away in about two years. When I left that consultation, I left my daughter and wife at home and went for a drive to clear my mind.

On a rainy afternoon, I remember My Way by Frank Sinatra playing on the radio. And that song gave me a glimmer of hope. I closed my eyes and made the most faithful prayer of my life.

All I asked for was a sign, a direction to try to resolve this heartbreaking situation. Three minutes later, something told me to call Eugene. Eugene is a renowned archaeologist and historian, a contemporary from college who occasionally gives lectures with me.

Eugene answered the call, but said he couldn't talk because he was in the middle of an expedition in Israel. Just as we were about to hang up, Eugene asked me a question. And that question changed everything.

Matthew, do you still know how to read Hebrew? He asked. Of course, I said. Then please translate a manuscript that my team just found during an excavation in the Jerusalem area of Israel, he said.

I agreed, and we ended the call. The next day, I woke up to three emails in my inbox. Eugene had digitized the manuscripts and sent them to me.

As I started reading, I realized they contained revolutionary revelations that had been removed from the Bible. Revelations not found anywhere else. Something told me that these revelations needed to be made public after everything humanity had been going through.

It was something that in all my years of theology, I had never heard of. And the reason was simple. They didn't want us to know.

But good will always triumph over evil. And finally, spiritual healing had come to all of us. Then a specific verse caught my attention.

It said, if you remain conscious of the sacred frequencies that surround you, you will have long life and eternal health. I was intrigued. I wanted to understand what these spiritual frequencies were.

Why would they give me eternal health? But one thing I knew this was the explanation behind the longevity and health of so many people who had access to this. These ordinary people simply lived over 100 years and in very good health just because they had access to the secret. Something told me that this was humanity's greatest spiritual secret and that this was the answer to my heartfelt prayer that rainy afternoon in my car to heal my daughter.

Until then, I wasn't sure if it would work and needed to test it on Sophia. But I had no idea how to use these spiritual frequencies or what they actually meant. I spent sleepless nights researching various books and databases from different universities around the world Until I realized I wasn't the first to come across this.

In 1940, Dr. Johann Mohr, in partnership with the University of Heidelberg in Germany, conducted clinical tests using these frequencies on terminal cancer patients. And in just two months, all 21 of the 21 patients he tested were completely cured without surgeries, pain or toxins.

But this came at a huge cost to his life because the American government found out and simply burned all the records, destroyed the laboratory. And curiously, the doctor also died sometime later. It was clear that they wanted to hide something powerful from people, Something that could completely change the world.

So I kept searching because this could be the miracle my daughter needed. And it seemed like God was working in my favor. In the footer of a google search, I clicked on a little accessed forum.

In this forum, Dr. Johan's entire study was published by an anonymous user. It had everything extremely detailed and it said sound is capable of doing incredible things to our body and mind, which is why all religions use sound to spread their prayers.

Only you know how you feel when you hear your favorite song. This happens because when the frequency of your favorite music passes through your ears, absolutely all your cells begin to vibrate at the same positive frequency, which not only elevates your body, but also your mind and mood to a state of happiness. The greatest proof of this is the experiment conducted by Japanese scientist Masaru Emoto.

This research proved that a single sound frequency can completely change the structure of water. Can you believe that this scientist spoke different words and prayers next to a bottle of water? And when the water absorbed the frequency of sacred prayers and the words love and gratitude, the water molecules transformed into perfect symmetry, showing us the beauty of the Lord's perfect work. But when the water was exposed to the words devil and disease, the water molecules became completely destroyed and darkened, as if they were dying.

Therefore, since our body is composed of 70% water, imagine how your cells will renew and your body will heal after exposure to divine sound. Revealed by hidden biblical verses. This is because the divine frequencies found in these verses are sound compositions, and we know that all sound is measured in hertz.

Dr. Johann's study proved that the divine frequencies from biblical verses operate at such perfect hertz that they generate the most powerful healing forces possible, capable of unlocking miraculous potential in your body, thus renewing every cellular telomere, eliminating tumors, relieving chronic pain, eradicating diseases, diseased cells, and all types of bacteria and viruses. After this revolutionary discovery, I became obsessed with finding out how I could access these miraculous frequencies to cure my beautiful girl's illness.

After translating the manuscripts and sending them to Eugene, he was amazed at what we had in our hands and contacted a neuroscientist named Josef Friedman, who runs an advanced clinic in Israel and is one of the leading experts in using sound frequencies for cell renewal. Dr. Yosef Friedman has applied these powerful frequencies to more than 3,440 patients, from children to the elderly, with all health complications you can imagine.

When Dr. Friedman used the miraculous frequencies, he healed people who had been tormented their entire lives by tumors, diabetes, obesity, depression, vision problems, back pain, knee pain, and even severe migraines. This gave those people a new life, a longer life, blessed and protected against all diseases by the healing power of the lord.

For the first time, these people were sure they would live with health and security, see their children and grandchildren grow up, and not end their lives in a nursing home wheelchair, unable to speak, speak, or walk after being abandoned by their own children. But Dr. Friedman never revealed this secret openly for one reason.

If the world knew about this healing secret, the pharmaceutical industry would cease to exist. Because the greedy drug mafia doesn't want to improve your health. Their goal is to profit from your pain and despair while they fill their pockets with money and you become increasingly fragile and sick.

So it would be a huge risk to the doctor's life and his family's life. But when I met Dr. Friedman, I told him that these same healing frequencies were written in the Bible thousands of years ago and have been hidden from the public.

As a true Christian, he invited me to bring my daughter to his clinic, where we would test this blessed frequency to try to cure and save my girl from her syndrome. I gathered all my savings and went to Israel again, this time with my daughter and wife. I had no guarantee that this could reverse my daughter's syndrome.

Before the procedure began, I prayed to God and imagined my little girl coming home after being healed. I imagined her having fun with her friends at school and telling me about her Day I imagined her running around the house and jumping into my arms when I got home from from work. All I wanted in this life was for her to say, daddy, I love you.

After I told her a bedtime story. I would give my own life for that. And then she entered the procedure room where a device emitted frequencies throughout her body.

The session lasted about seven minutes. Initially, I was skeptical because it was too quick. But when my little girl came out of that room, the miracle finally happened.

My wife immediately noticed something seemed different. She still couldn't speak, but her eyes had a sparkle and she was interacting with the world world in a new way. Three days later, when the first signs of healing appeared, I knew for certain that the healing frequency we experienced was a divine blessing.

My daughter, who had been silent and still began showing impressive signs of change for the first time in her young life. Tears came from her bright eyes. Shortly after, she started to crawl.

The progress didn't stop there. The silence that once filled our home began to be replaced by small babbles that quickly evolved into clear words. Daddy and mommy were the first word she spoke, and each one was like music to our ears.

My wife and I cried with emotion. Seeing our daughter free from her illness and living like a happy child gave me the courage to bring this healing solution to others. Seeing our daughter's progress, my wife also decided to try the frequencies as she had been suffering from depression due to what we had gone through.

After listening to the sacred frequencies twice, my wife became cheerful again, laughing non stop, healthy and eager to live life. When we returned from Israel, we took our daughter to our trusted neurologist, Dr. Sam.

Dr. Sam performed an MRI and was shocked by what he saw. Previously, our daughter had only 2% healthy brain tissue.

After the sacred frequencies, the doctor stated that her brain was now filled with gray matter responsible for intelligence, which allowed our daughter to speak. A few months after using the frequencies. I remember the doctor's words very well.

Well, it seems that God chose you for a miracle that I had never witnessed before. There are things that medicine cannot explain. Your daughter is healthy.

Congratulations on your faith. It would be great if all children could be healed this way. What did you do? Our daughter was completely healed and her life expectancy was no longer just two years.

After that, our friends and family, noticing the improvements in our daughter, began to ask how we had done something considered impossible. I shared everything that was in the ancient scriptures of the Bible and revealed the truth about healing illnesses through God's blessed frequency. Then many people begged me to help them reverse their health problems.

And that's when I decided to pay for the right to use these sacred frequencies. After all, this had been kept secret for centuries. And since only Dr.

Friedman in the entire world had access to this powerful frequency, he charged me \$10,000 to send me his special collection of frequencies. Given the significant cost he had incurred in developing them, that was a lot of money for me at the time. But I felt that the Lord spoke to me and gave me the mission to bring this healing solution to all people in the world so that their children could live free from pain, diseases, and afflictions.

So I invested the money and brought these frequencies to the United States. The first test was conducted with 24 people, mainly our family, community and church members. My phone didn't stop vibrating with numerous calls and messages of gratitude.

The first person to want to test the frequencies was my childhood friend George, who had severe knee pain that made him walk with a limp or at times, kneed crutches. In just 11 days of listening to the blessed frequency from his own home with his cellphone and without even needing headphones, his arthritis and neuropathy symptoms disappeared almost overnight. Hello, my name is George Miller.

I am 49 years old, and I can say that I have been touched by the will of God. For more than three years, I suffered from severe pain in my knees and muscles. This pain hardly allowed me to walk down the street or get out of bed.

I thought I would never have the life I used to. I could no longer pick up my children in my arms or run with them without feeling pain. I had lost all hope because the medications hardly ever relieved my pain until my dear friend Pastor Natu gave me a blessing of healing frequency.

And here I am, 11 days later, completely healed of my pain. I mean, my health is incredible. Now I don't feel anything anymore.

I'm back to doing everything I could before. Thank you and God bless you. Take a look at other testimonials from people whose lives have changed after using this divine frequency.

I reversed my type 2 diabetes thanks to this miraculous sound right here. Look. Every morning I sit down to have my coffee and practice press play on the sounds.

This became part of my morning routine. After my glucose levels returned to normal, I went from 190 to 110 points on the meter in just one week. I am finally free from insulin shots, medications, doctor visits, and all the restrictions.

Now I will continue listening to this frequency because it has brought me closer to the Lord and has brought other blessings into my life as well. Exactly. Now I just Finished my time with God.

It's a 10 minute session every morning where I listen to this wonderful frequency. Many people don't know, but I had a tumor in my head as well as obesity and high cholesterol. The doctors just kept prescribing more and more medications.

I was at rock bottom, suffering from depression, insomnia and low self esteem. Everything changed when I started listening to God's healing frequency. Look at me now.

I lost £57, I'm in shape and even my skin looks better. I feel like he placed his hands on my head and removed the tumor. Because the doctors found nothing before the surgery, absolutely everything that disturbed my peace is gone.

My health is 100% good, I sleep very well and I feel like enjoying life again. That's why I always recommend this frequency. It saved my life.

Thank you Pastor Matthew. Everyone who listened to God's frequency felt immediately more energized, happier, with greater self esteem and motivation. After all this, I realized I had a power in my hands and needed to help more people.

That's how I awakened to the life mission the Lord gave me to bring health, healing and peace to all sick people through the miraculous frequencies of the Bible. To achieve this, I created the Healing App, a unique and very easy to use app that contains the sound group exactly in the correct measures given by the Biblical verses. All you need to do is press the Play button on the screen, listen to the biblical sounds and connect to God's power to treat all pains and eliminate life's difficulties, allowing you to live with more health, energy, vitality and joy for many years without resorting to medications or surgeries.

The Healing App, despite being an app with sound groups, does not require technical skills, a good Internet connection or a new phone, nor does it require special equipment or headphones. I developed a simple app because I am not good with technology myself. You can listen from your phone with or without headphones whenever you want.

And don't worry, any volume level will work for you because the sacred focus is on the impulse pulses per second and not on the intensity or volume of the sound. These impulses are adjusted to harmonize your body completely. When you connect with this sacred frequency, you will have health and energy you never imagined.

Your body will be lighter, healthier and more protected. Remember that if God brought you here, it is your purpose to live this new life. So just listen to this every morning and all the problems that afflict you and your family will be swept away from your life.

Listening to this sacred sound frequency is all you need to have your confidence, renewed motivation and receive blessings and miracles from the Lord almost every day in your life. These sound frequencies eliminate diseased cells, toxins, inflammations, viruses, bacteria, tumors and many other complications that may be affecting your health right now. And the best part? This app is so simple that you only need to touch the screen of your phone for it to do all the work.

It's easier than using Messenger. Here's how it works. First, you'll enter your name, age, weight, height and what you want to improve in your health.

This is because the app will identify which healing frequency is best for you in your current situation. It calculates all your information and generates a specific divine frequency to remove obstacles from your life, heal your body's diseases and defend your health. Additionally, within the app, you will also have access to the seven miraculous sounds of the Bible.

The number one frequency is the circulatory frequency. It helps repair the entire circulatory system and enhances the heart field. Because this sound operates at the beautiful capacity of 732 impulses per second, we recommend its use for people suffering from high or low

blood pressure, heart problems, varicose veins, thrombosis, diabetes and iron deficiency in the body.

In addition to helping with all of this, this frequency helps eliminate toxins, fats and everything that harms the blood, while also improving the body's aesthetics. The number 2 frequency is called the Water Frequency. We gave it this name because a Canadian expert used it to purify and eliminate oil from a very important water area in the world.

The water was poisoned and was killing all the fish that lived there. But he used this frequency in the water and in less than a week all the oil, fat and pollutants were completely eliminated. Tests conducted on the water before and after using the frequency proved that the frequency completely cleaned the water of toxins and pollution.

Shortly thereafter, the fish returned to live in the affected area as if it had never been polluted. Imagine then if this frequency cleaned polluted water. Imagine what it will do to your body which is composed of 70% water.

The number three frequency is called the Energy Frequency. This frequency is designed to energize your body, give more motivation, joy and combat depression, anxiety and traumas. This frequency helps your mind have more self esteem and your body gain more strength to move forward.

The number four sound is called the Life Frequency. This frequency helps increase life expectancy. It repairs all cells damaged by age and excess toxins, renewing the signs of aging in your skin, improving your quality of life, enhancing your well being and promoting a longer life.

The number five divine sound is called the Renewal Frequency. This frequency helps repair your sleep. When you listen to it for the first time, you will notice you slept better and woke up refreshed with energy and disposition.

This track is one of the most listened to because it also helps people with anxiety and depression and eliminates insomnia. The number 6 frequency is called the Mental Frequency. This frequency helps with mental clarity against all problems that affect the mind such as memory loss, mental confusion, concussions, dementia and brain shrinkage, as well as increasing intelligence, logical reasoning and relieving stress.

The sacred number seven frequency is the Emotional Frequency. This acts directly on the part of the brain that carries traumas, whether mental or physical, eliminating toxins, negative emotions and also repairing memory. This frequency serves to control your emotions, calm your mind, relieve stress and bring peace and happiness to your life.

As you can see, all you need to do is touch the screen to listen to these divine sounds and feel your body being renewed from head to toe. This is my mission on earth to help as many people as possible renew their health, achieve a better quality of life, longer longevity, and live without pain and suffering. And only through the healing app can I spread this mission.

Enough of medications, Enough of being deceived by the pharmaceutical industry that wants us to be perpetually sick to profit from our illness. The most important of all is the Divine connection that happens when you listen to these divine healing frequencies. This is the divine key to a longer, happier and safer life without pain or illness.

You will wake up every day with an explosion of energy, motivation and divine protection throughout your body. You will see that your life is progressing and that all your desires are being fulfilled by the grace of our Lord. Not only will your health improve, but you will be a more prosperous, abundant and enlightened person because now you will be in direct connection with him and will overcome all challenges.

Now you might be wondering how much the healing app will cost. How much would you pay to never again worry about the throbbing pains that torment your body? How much would you pay to save yourself or a loved one from a difficult disease? How much would you pay to gain more longevity knowing you will spend your 70s, 80s, 90s and even 1/ hundreds with full health and vitality? How much would you pay to receive the power of divine healing and enlightenment and connect with the grand future God has reserved for you by bringing you to this video. Let me tell you, it won't be the same ten thousand dollar I paid to gain access.

I am not the greedy big Pharma that only pushes ineffective medications on you for lifetime causing dependency and side effects. But to keep the app running, I need to cover server costs plus the salaries of my team of specialists who are available from 9am to 6pm to help you. And trust me, this is quite expensive.

But I won't pass any of these costs on to you because my goal is to make the app accessible to as many people as possible. Today, your only investment will be just the registration fee for the app. This is because every time I register a new user, I have to pay the company that hosts the app online, and I don't think it's fair for me to pay for your registration, do you? But don't worry, because despite the high cost for me, this fee is much lower than all of that.

Even more so when you consider that I paid \$10,000 for these frequencies and that thousands of people spend more than \$1,000 each year on expensive consultations and medications that never work. But I know this amount is still high for most people. I am a faithful servant of the Lord and my mission is to help as many people as possible to overcome their pain and torment.

So I will not charge you \$1,000 to access the app. I also won't charge \$500 or even \$300 only today and on this page you can secure your access to the Healing app for just \$37. But you need to act quickly because the app can only accommodate 10,000 users.

And as I record this presentation, almost all the slots are filled with a total of 9,937 accesses. This means there are only 63 spots available to access the Healing app, so click the button below now to secure your spot before it's too late. After you click the green button below, you'll be redirected to our secure payment page, which was voted by bank of America as the most secure online payment system from 2020 to 2023.

On this page you will enter your contact details and then your payment information. Once you complete your payment, you will be redirected to a secure page where we have a surprise for you and then we will send confirmation of your investment and access to the app directly to your email. You came here through social media, right? We are receiving an average of 18 accesses like yours per minute, so to fill the remaining 63 unique slots our servers can handle, it will take about 3037 minutes.

But the trend with our ads is that the number of accesses will increase. So this limited time is just a supposition. If you click the green button below and are not redirected to our cart.

Forget it. You missed your chance forever because we won't be able to open more slots due to our server limitations. And if you have any doubts whether the Healing app will transform your health, I have something to propose.

So I will just answer some of the most common questions. Question 1 I thought I would have to install something on my phone or understand technology to use the app, but it was all very simple, right? Yes, exactly. We created the Healing app so that absolutely anyone, regardless of age or technology knowledge can use it.

Additionally, as soon as you complete your registration, you will immediately receive an email with a video teaching you how to use the app. It's all very simple and easy. Question 2 Does the healing App take long to arrive? The Healing App is sent to you immediately via the same email you provided at the time of purchase.

Within the app, you will have various digital sound frequencies ready to be listened to according to your personalized needs, in addition to other special content that is updated weekly. You don't have to wait for a physical package to be sent to your home so you don't have to pay for shipping. How will this work for me? When you first listen to the blessed frequencies, your skin will tingle and you will feel a slight chill in your stomach because you have just been touched by the miraculous power of the Lord.

Just listen to this for 10 minutes every morning after waking up so all your pains and health conditions will be permanently removed from your life. This is because this divine sound operates as a total cleansing of your body. It eliminates diseased cells, regenerates damage to organs, and clears your brain of fog and negative thoughts.

This frequency is the very healing force of God blessing your body, mind and spirit. Listen to it for a few days and you will see wonders happening. Question 4 no medicine, treatment, treatment or prayer has worked for me before.

Why will this work? Look, the healing app is proven by the most advanced neuroscience from Jerusalem, the Holy Land of the Lord. This transformed my daughter's life before my eyes and over 9,000 people have overcome their health problems after accessing this healing frequency. Nothing worked for you before because you were not yet aligned with God's healing frequency.

And this divine frequency is the only thing in the universe proven by modern science capable of relieving all pains instantly. So if you want to end all your health problems definitively while connecting with the Lord, all you need to do is sit in a calm and comfortable place, put on your headphones and receive this divine frequency so the healing power can work wonders for you. Question 5 My husband has been using this frequency for 8 days and his headaches and fatigue are gone.

Is this normal? Yes, it's completely normal. Some people get faster results like your husband, while others may take a little longer to see results. This means your husband is more receptive to the divine frequency.

Tell him to listen to it daily daily and you will see how much healthier and happier he will be. Question 6 I started using the healing app two months ago. I lost 24 pounds and I don't feel any intestinal pain anymore without making any changes to my routine Is something wrong with me? Look, everything that improves your health will come to you and that's why you experienced this fat loss.

This is just the beginning of a long series of transformations that will renew your life and indeed, you don't need to change anything in your routine or diet to get results like this. This. I recommend you continue using the Healing app for the coming months and see what happens.

Last question. Are the frequencies available elsewhere for a lower price? Can I find them on YouTube or Spotify? We offer the Healing App only on this site for a very important reason. The Healing app has a unique quality system that ensures the effectiveness of the frequencies.

The sound frequencies in the app are protected against any modification and editing that could reduce their effectiveness. That's why our customer satisfaction rate is 98%. The sounds were generated exclusively based on ancient scriptures and are completely original and untouchable.
