Church Pictorial Directory

There have been a number of people that have asked to have a church directory that contains pictures of the people with their address. While in the past, companies would come and take professional pictures and then sell you expensive copies, this time we will do it in-house. This will be less expensive and easier to accomplish. To this end we will begin creating this directory this November. We will have the directory in December.

The directory will include people's addresses and a picture. It will be available in a digital format for use on your cell phone or you can request a printed copy. If you do not want to be included in the directory or would rather not have your picture included, that is okay. This will just be for those who want to sign up to be in it.

Information to be Included

We will include your mailing address, email, and phone number.

Pictures

You can include your pictures in one of two ways. You can submit a photo to the church office (info@jenkinsmemorial.org), or you can have one taken at church. We will be taking photos on Sundays this November. These photos will be taken in the church Narthex before and after the morning services. You can sign up for this directory below.
