

SL: Did you know only 2 in every 10 people claim they go to the gym?

And even less go consistently

Hey %FIRSTNAME%,

Imagine being able to quit your unhealthy habits at the drop of a hat. Imagine everything you would accomplish if nothing was holding you back. What would your future look like if you took action and started doing better? Now I want you to imagine 5, 10, 15 years into the future going about the same old unhealthy habits? That doesn't look as good now does it. Luckily we made your situation a little easier. Unleash your potential at Fitlife Sportsplex, where every workout is a step closer to the best version of yourself. Being overweight or unhealthy makes your life much more difficult than it needs to be. The choice is yours.
