

2023 Lemmon Kindergarten Supply List

Every child needs to have a backpack that is large enough to carry work and important papers back and forth from school to home without having to fold them. If this is a problem, our school counselor has access to backpacks and is willing to help.

- 1" Binder, preferably with a clear plastic pocket on the front
- 1 composition notebook
- Glue sticks
- 2 Boxes of 16 Regular Crayons
- Ticonderoga #2 pencils
- Trinkets or donations for our Treasure Box
- Disinfectant Clorox Wipes
- Healthy snack items
- 12 Dry-erase Fine Tip Markers (black only)

Having supplies at home for your child to use for homework, projects, and activities is also a great idea. We recommend the following items:
