Key Takeaways

- Team Selection and Criteria
- AENDG
- Recruitment
- Future Water Ramp Training
- Program Development

Topics

Team Selection and Criteria

- World Cup criteria for the 2025-26 season, including athlete selection processes for various events
- Junior World Championships team nomination changes from A team/rookie team structure to A team/B team structure
- Aerial National Development Group (AENDG) program review and future planning

Training Programs and Camps

- Review of successful Project Gold camps at Bristol with over 20 athletes from 7+ different programs
- Summer 2026 planning including Bristol Project Gold camps, potential Quebec training (3 weeks in July), and possible Australia trip in August
- Discussion of age-appropriate programming for younger athletes (13-15 years old)

Recruitment Strategies

- Gymnastics-to-skiing athlete recruitment partnerships, particularly with Bright Raven Gymnastics and Greater Buffalo Gymnastics Center
- Focus on grassroots freestyle programs for athlete development
- Mini camps for younger athletes (8-12 years old) to identify potential

Facility and Infrastructure

- Lake Placid water ramp facility closure concerns and potential timeline for rebuilding
- Bristol's potential double kicker construction plans (estimated \$250,000 investment)
- Regional event planning across different locations

Program Development

- Skills Quest Fitness integration into future programming and criteria
- Coaches' education program development with in-person components
- Winter training schedule including competitions in Finland, Canada, Lake Placid, and Deer Valley

Upcoming

- Future meetings scheduled for January 7th, March 11th, and April 8th at 3 PM MT.
