Please consider the following:

- Classroom teachers will communicate to students specific testing information (time, location, etc.).
- Students are not permitted to have cell phones and devices that can transmit, receive, photograph, or record information with them during testing. This includes smartwatches, earbuds, etc.
- Students need to bring their fully-charged Chromebook and charger with them on the day of testing.
- Students may not be permitted to start a test, stop, and then resume at a later time or on a different day.
    - For example: Student starts a test, but needs to leave for an appointment prior to finishing.
- Make-up test sessions will occur throughout the testing window as needed.
