

3rd Grade

Dear Families,

Welcome to the wonderful world of 3rd grade! I am thrilled that your child will be in my classroom this school year. I can't wait to see you all next Thursday, and I look forward to working with you and your child to help them reach their full potential.

We will have many wonderful experiences and opportunities to learn and grow throughout the school year. The year will be filled with excitement, fun, and lots of learning. Your child will be given the tools and opportunities to explore, ask questions, develop new skills, and build upon their knowledge.

I believe that learning can be an enjoyable journey—one where we can all grow, develop a true love of learning, and discover our individual strengths and passions. My goal is to create a classroom environment where every child feels supported, valued, and excited to learn.

I will keep in close contact with you regarding your child's academic progress, successes, and areas where they may need additional support. If I have any concerns, I will contact you promptly. Likewise, if you have a question or concern, please remember that communication is the key to building a strong parent-teacher relationship. I encourage you to reach out to me at any time. You may send me a note or email me at [krooks@wpaces.net](mailto: krooks@wpaces.net), and I will do my best to respond by the end of the day.

Most importantly, please visit our school's website at <https://www.wpaces.org/> for additional information and important updates.

I am looking forward to a wonderful school year filled with learning, growth, and memorable experiences. Thank you for partnering with me to make this a successful year for your child!

Sincerely,

Mrs. Rooks
