Coach Reece,

Congratulations on being hired as the newest assistant coach for the Richmond Soccer Program! I think it's fantastic that you are now coaching at the same school you played for. I remember watching your 3 - 2 win over George Mason your senior season - what a game that was.

I am writing as I am very interested in becoming part of the Richmond's Women's Soccer Program. I am a hard-working and clinical forward and I believe I would fit nicely into your 4-3-3 system. Additionally, I am very interested in enrolling in the Robins School of Business for my major.

I currently have a 3.5 GPA and a 1250 SAT score and will graduate in 2026. I have attached my unofficial transcript for your review and I have completed the online recruiting questionnaire.

Here is my latest highlight video (insert link here). You can find my references, view more highlights, and other key information on my online profile.

Please see my below email signature for all my updated contact information and social profiles.

Thank you in advance for your consideration, and I look forward to connecting with you soon.

Best,

Holly Hawk
Hanover HS | Class of 2026
