Objective:

A highly motivated and detail-oriented junior developer with hands-on experience in ASP.NET, C#, and VB.NET, seeking to leverage my skills and passion for software development in a challenging Junior Developer position. Dedicated to learning and growing in a collaborative team environment.

Education:

Bachelor of Computer Science (Expected Graduation: 2026]

Georgia Highlands

Technical Skills

- Programming Languages: C#, VB.NET, SQL, PHP, JavaScript, PowerShell, HTML, CSS
- Frameworks: ASP.NET, .NET Framework
- Databases: SQL Server, MySQL
- Tools: Visual Studio, GitHub, Jira
- Others: RESTful APIs, MVC, Entity Framework

Relevant Experience:

Intern

Shaw Industries 8/1/2022 – 4/1/2024

- Developed and maintained web applications for the residential development team using ASP.NET and C#. I mainly wrote new web parts for the Kentico CMS platform as well as fix bugs when needed
 - <https://coretecfloors.com>
 - <https://shawfloors.com>
 - <https://andersontuftex.com>
- Developed a Windows application using VB.NET to automate the download and resizing of images from the Image Repository based on SKU inputs. The application also generated an Excel spreadsheet with all images and relevant information for upload to Lowe's and Wayfair, facilitating the sale of flooring products.

- This process, which previously required three people and took two weeks, is now completed in minutes. Users simply input the desired SKUs and select the vendor, streamlining and significantly speeding up the workflow.
- Wrote RESTful API to retrieve pricing data from SQL database to use on our websites
- Developed a PowerShell script to automatically configure our IIS servers according to specs
- Converted old PHP website to ASP.net
- Collaborated with senior developers to design and implement new features.
- Worked with the marketing team to help them design new pages in the CMS
- Participated in code reviews and testing to ensure high-quality deliverables.
- Documented software functionalities and updated user guides.
- Participated in scrum and all Agile ceremonies
