

Roman Republic Quiz

Given the Roman Republic's Constitution (reading in the brown floppy) who/what had the power in the Roman Republic and how is this similar/dissimilar from the United States Republic? Use specific examples to support your case.

Ethnography 2.5

Students will write a new post on their blog that explains how the group they are studying might be affected by the 2012 election results. This post can take many forms, but be sure to cite your resource(s) that provides you with the support necessary to back your point. You can assume any result in the 2012 election and argue for any impact on your group, so long as you have the necessary support to do so. Be sure to use specific examples.
