

**DONATION LINKS TO BE UPDATED** (some of these links also explain what is happening there and I have a button for more info as well)

**VERY VERY IMPORTANT : Islamic relief is the only organization allowed to fund there! FOCUS ON THEM! The other organizations take a small profit and then give to Islamic Relief so might as well just give to them!**

**do NOT donate to <http://change.org> because no one knows where the money goes as they're a private corporation**
