

(their email system is weird, you can only send emails through inquiries) thats why the opening line is so strange. Plus the company is owned by two women, thats why the start has two possible names)

Website

Hi Jaimee, while looking at your website I saw that you were planning on launching a virtual course but I have a question...

When are you planning to release it, how will it work? Will it have an app? Or will you log in through the website?

Always the best -Gabriel
