The Classical School participation in The First Academy's 5-Day activities is based on historical participation and activities with cross-divisional connections. The TCS Director will determine a student's eligibility, as needed. Additional activity fees may apply.

### **All TCS Students (Hybrid program):**

### **TCS Hybrid Middle and Upper School Students:**

This fee does not guarantee participation and will not be collected until a student has been placed on a team or in a fine arts program. There will also be athletic package fees, which will vary in amount according to the program level.
- may participate in the Middle School PAL-DC trip pending review and approval of all prerequisite assignments. Must register by the due date as long as a TCS staff member is available to chaperone.
