

\*Mel is sitting in her room\*

Mel: Hello, wonderful people! I'm Mel, PREP's upcoming soloist! Today I will talk about me, I guess. Let you guys get to know me a little better!

\*Mel shifts in her seat and takes out her phone\*

Mel: I'm going to look at my profile on KProfiles for a minute. See what they have about me there. Aww, that's a cute picture!

The picture:

Mel: I remember taking that picture. Let's see. "Mel is a soloist under PREP Entertainment." Yep. "She debuted," not yet, "on March 24, 2023 with her single 'Solo'". Yeah, that's all true. Except the "already debuted part". I haven't debuted yet. That's still a bit away. My fandom name: Melody. Yes, hi, Melody's! I should get one of those "My Melody" shirts, and wear it whenever I see you all. My color, Buttercup Green. I'm a huge fan of PowerPuff Girls, and my favorite is Buttercup. She's amazing.

\*Mel giggles and gets back to reading\*

Mel: My official accounts, wait, where's FiKLive? My FiKLive (which you should all know if you're watching this) is Mel.PREP. Add that. And now, info. Stage Name: Mel. Yep, that's me! PREP wanted my stage name to be

Melanie, but I like Mel better. It's what everyone calls me. My birth name: Melanie Choi. My Korean Name: Park Ji Yeon?!? It should be Choi Ji Yeon... not Park. The Korean says Choi though... guess it's a typo. My birthday is November 5 of 2000. I'm currently 22. I'm a Scorpio. No, I'm not evil.

\*Mel shifts in her seat\*

Mel: You know, I don't get people who judge others by their zodiac signs. It's kinda mean.

\*Mel smiles and looks back at her phone\*

Mel: 4'10"? Wait, I'm not that tiny... I don't think this has been updated for a while. Although it just came out. No, PREP's info hasn't been updated. I'm now 5'2". And I'm not going to say my weight. Blood type, eh. I don't really know that. Don't know how they know that. But okay. I am Korean-American. Now, fun facts!

\*Mel laughs and starts reading them\*

Mel: Okay, growing up in New Jersey. That was fun, but I think I like Korea more. I feel more at home here. My older sister, Hana Choi, is a trainee under StarShip Entertainment. I think they're gonna debut her soon, but I'm not sure. She's been talking about leaving for a while. And my friends. Gummi, Dasom and YoungJin. I'm also friends with all the WHAM!88 members, Aram especially. I don't know why, we just get along really well. I'm also friends with some Rose Garden contestants. And AllArt... well... I left after Pixy debuted. I was supposed to debut with them, but they chose Dia and Lola instead. So then I came here!

\*Mel sighs\*

Mel: I have trained for seven years. I started out at Hybe, but they traded me over to AllArt. I left AllArt after Pixy debuted and moved here. I trained at PREP for about two years before they finally debuted me. Which I'm happy about. I'm super excited for my debut and hope you guys will support me! My hobbies are binge-watching and making jewelry. My favorite shows are Wednesday and all the Marvel movies. I also love KDramas. I am very scared of large crowds. If I'm hanging out with friends, it can only be with five at a time, or I have a panic attack. I am very introverted. I love fruit. Watermelon isn't a fruit I eat, but I like other types of fruit. My favorite animal is the red panda. I have multiple red panda

plushies. Red Velvet and Twice. My bias in Red Velvet is Wendy, and Twice is Dahyun. My ideal type: Someone who will sing with me. Well, the info seems up to date. But I'll say a few other things to be put in. I'm a fan of CALLA, ENCHANTRESS and Whitelist. I'll constantly go around singing *Closer* by ENCHANTRESS. And I think that's it. Bye, Melodys!
