

<u>Personal, Social and Emotional development</u> PSED focus Healthy Me - This term we will look at healthy eating, brushing our teeth, washing our hands and crossing the road safely. Through play, activities, circle time and assemblies we will learn to understand our own and others feelings and looking after ourselves. We will support children to develop independence at school.	<u>Communication & Language</u> We will support and develop the children's communication and language, listening and attention and extend vocabulary and speaking in sentences through a variety of activities and through play. We will read stories, sing nursery rhymes, have discussions, role play and more to develop communication.	<u>Physical Development</u> Fine motor and gross motor skills will be developed through a range of both indoor and outdoor activities. The children will have access to a range of resources that they can independently choose. We will use dough disco and squiggle whilst your wiggle activities to develop their fine motor skills. We have yoga, swimming, P.E and games weekly. They will look at basic movement this term such as jumping and skipping as well as ball skills and gymnastics.
<u>Literacy</u> This term we will build a love for literacy through regular story times, nursery rhyme and a weekly library visit. Children will join in with some phrases, actions and gestures. We will have a range of activities in class and outdoors for children to explore mark making.	Pre Crèche Curriculum Overview Term 2 - 2025/26 	<u>Mathematics</u> In Maths we will be using a range of building materials, resources, and stacking equipment. We will explore maths activities both indoors and outdoors including role-play, mud kitchen, the sandpit and the water play areas. We will be learning a variety of finger and number rhymes.

Understanding and the World

We will follow the children's interest to develop their understanding of the world. Each child will be observed and activities will be based around which schema they are working in to help them understand the world. More information will be shared weekly with each individual child.

Expressive arts and design

This term we will explore musical instruments, singing and learning different songs. They will use a variety of objects and materials in construction, art and role play to develop how they see the world. They will develop art through exploring a variety of techniques and materials.
