

HUMAN RESOURCE ENHANCEMENT ACT , 2013

The following legislation was passed by the Parliament on 23rd July 2013 following the data that showed Krevt's Poor Literacy rates as compared to other countries in Kian.

The Act looks forward to the following:-

- Bring all institutions to a standardized high level, i.e entry of teachers both male and female through physical and mental tests, more Smart classes and curriculum based skill tests
- Make all the institutions affordable to common people. I.e all institutions to have a fees of 12,000 NSDs to 12,500 NSDs per year.
- Introduce new streams to Middle schools which are the following
 - Computer Sciences
 - Bio-Chemistry
 - Literature/History
 - Culture and Economics
 - Administration and Judiciary
 - Trade
- Enhance a student's knowledge by conduction 3-4hrs skill workshops which would require the student to practically utilise his/her knowledge into reality

Overall , This act ensures that no Krevti is left uneducated
