After School Activities: Tutoring (Get Busy) and Drum & Dance

Attention Sophomores: Jostens Class Ring/Jewelry meeting
Wednesday during homeroom in the media center

This week is college awareness week. Everyday this week we will be doing trivia. The first Trivia question is what subject did Mr. Martinez teach before he became a principal? If you know the answer please send an email to Mrs. Swoboda. She will have a prize for the student who answers the question correct first.

Any student in grades 9-12 interested in joining FLA (Future Leaders of America) meet in the FACS room during homeroom today. Check in with your homeroom teacher first.

Scores from the Bemidji State University Math Contest are in! Congratulations to the top Waubun students

Upper Level (11th/12th)

1. Logan Stech
2. Noah Schneck
3. Katelynn Keezer

Lower Level (9th/10th)
