- a. Are you participating in this GNSO policy process as a representative of any individual or entity, whether paid or unpaid? The term “representative” in this context means that you are acting on behalf of a third party, whether it is a legal person or a natural person (the ‘Represented Party’), by whom you have been appointed, specifically for this activity or as part of a larger engagement, to represent and/or advocate for the Represented Party’s interests, views and positions.

If the answer is “Yes,” please provide the name of the represented individual or entity. (If professional ethical obligations prevent you from disclosing this information, please provide specific details on which ethical obligations prevent you from disclosing and provide a high level description of the entity that you are representing without disclosing its name, for example “I represent a gTLD Registry client”, “I am representing a governmental entity” or “I represent a multinational brand”).
