

Hi! I'm Mariel Serfass. I'm a third generation teacher. I knew from a young age that I would be an educator. My parents would often find me in my bedroom, instructing my class of stuffed animals.

To make teaching a reality, I attended Hofstra University for my undergraduate and graduate degree in Elementary Education and Literacy Studies. I started my teaching career on Long Island, NY as an elementary teacher and then later moved to Pennsylvania. In 2007, I began teaching in the Unionville-Chadds Ford School District where I have been a Reading Specialist and an Instructional Support Teacher. I love learning and I'm always continuing to further my education. I recently completed my second master's degree in Educational Leadership at Saint Joseph's University.

Other than being a life-long learner and teacher, I enjoy spending time with my husband, two daughters, and our dog, Gingerbread. We spend a lot of time outdoors, hiking and traveling in our RV.

If you have any questions, please contact me. I look forward to working with you and your family.

Mariel Serfass
