

GROCERY Shopping!

Dear Staff,

The **AE/LLD** class is offering a grocery shopping assistance program!
Our students will visit local grocery stores each C-day to practice this important life skill!

How can you help?

- Write your grocery list on the attached form and include the following information: quantity, item, and brand.
- Please provide the necessary credit card/cash amount in an envelope labeled with your name and room number.
- Drop off your envelope at Room 106 OR put it in Michelle Brennan's or Alison DeSimone's mailbox.

Things to Note:

- Cash/credit card must be submitted with your order form in an envelope labeled with your name and room number.
- Feel free to include your personal store/loyalty shopper card in your envelope!
- At this time, food that requires refrigeration is not available for purchase.
- You will receive a receipt and change with each purchase.
- Orders will be delivered sometime in the afternoon (after lunch).

We appreciate your patience and flexibility as we grow!
