Text Plato's Apology Paragraphs 1-3

FORMING EVIDENCE-BASED CLAIMS

Finding Details	As I read, I notice authors use a lot of details and strategies to develop their points and arguments. I might then ask myself: What details should I look for? How do I know they are important?		
	Detail 1 (ref.)	Detail 2 (ref.)	Detail 3 (ref.)
I find interesting details that are related and that stand out to me from reading the text closely.			

Connecting the Details	By reading closely and thinking about the details that stand out to me, I can make connections among them.		
	Detail 1 (ref.)	Detail 2 (ref.)	Detail 3 (ref.)
I re-read and think about the details, and explain the connections I find among them.			

Making a Claim	My claim about the text:
I state a conclusion that I have come to and can support with evidence from the text after reading and thinking about it closely.
