

3232 TUTORING SERVICES

School staff members routinely provide time beyond their assigned responsibilities to students who need additional help in their academic programs. This additional help is provided by a staff member on school grounds during their free time during their workday or immediately before or after school hours. The time a staff member provides additional help to a student is an extension of their assigned school district responsibilities and a staff member may not charge a fee for providing this additional help to students.

However, the Board of Education recognizes a school staff member may be privately contracted to provide tutoring services to a student in addition to any additional help a student receives before, during, and/or after the school day. These tutoring services shall be provided to a student under a private agreement between the staff member and the parent and/or student. Private tutoring shall not take place on school grounds.

The Board of Education assumes no responsibility, liability, or obligations for the selection of the private tutor or the quality of the private tutoring services. School staff members shall not provide private tutoring services for a fee or any compensation to any student that is currently enrolled in their classes.
