

## Six District Educational Compact

Cuyahoga Falls • Hudson • Kent • Stow-Munroe Falls • Tallmadge • Woodridge

August 5, 2024

### WELCOME TO THE SIX DISTRICT EDUCATIONAL COMPACT!

**Congratulations** on your decision to participate in a Compact Career-Technical Education Program!

Here is information that will make your first few days of school go smoothly as you transition to your Career-Technical Education Program. Because we work with six different school districts, the bus schedules and other details will vary.

#### Common Dates

The Common Start Date for Career-Technical Education Programs will be August 22, 2024, for all districts.

*\*\*For Stow-Munroe Falls students, transportation will be provided on August 22, 23, 26 and 27; this relates to both pick up and return to your home on these days. You will receive specific details about this from the Career-Technical Education Administrator at Stow-Munroe Falls High School.*

The Common End Date for Career-Technical Education Programs for Level I will be May 21, 2025.

#### Questions

If you have any questions, please contact the school counselor in your own high school who works with the Career-Technical Education Programs. They are:

#### Calendars

Each district will have its own Early Release and No School days. Please see the Transportation Schedule chart for 2024-2025 on the Compact website ([www.sixdistrict.com](http://www.sixdistrict.com)).

**Transportation and Driving Requests:**

The Six District Educational Compact provides bus transportation for all students enrolled in Career-Technical Education Programs. Your school counselor and career director/supervisor will review the bus schedule and the Compact transfer site at the Oregon Trails location with you.

Please contact the person in your district for the Transportation Request Form; they are:

Cuyahoga Falls – Monica Smith

Hudson – Mark Cuva

Kent – Brian Bachtel

Stow-Munroe Falls – Kim Britton

Tallmadge – Taylor Lane

Woodridge – Al DiTommaso

**Communication to Students**

Career-Technical Education Program students will be entered in the “computer call system” of the district housing the Career-Technical Education Program.

Information will be available on the Compact website: [www.sixdistrict.com](http://www.sixdistrict.com).

**Workbooks and Supplies**

Each Career-Technical Education Program has certain necessary workbooks and supplies which you will need. In some instances, students will be asked to purchase tools or operational kits. There are two methods of payment: (1) cash in full; or (2) a payment plan. Information about these two payment methods will be provided during the first week of school.

**Compact Website**

Our website ([www.sixdistrict.com](http://www.sixdistrict.com)) has been expanded and contains much information that will be helpful to you. I encourage you to check it out.

You can expect that the instructors, school counselors, career directors/supervisors and other staff at the high school where your Career-Technical Education Program is located will work with you. If you have any questions concerning credits, grades, the Career Passport, job placement or personal issues, please contact one of them. Everyone is very committed to your success.

If you have any questions, please call your school counselor or the Six District Educational Compact office.

I wish you the best in your new endeavor.

Sincerely,

Mary Jane Stanchina  
Executive Director
