

Rainmaker **GLORY** Challenge

Fill this out daily, and tag Cole, Trent, and Thomas in the #Agoge-Competitions chat.

Objective Work-Sessions

OBJECTIVE - Mon Sep 30

Main Objective:

- Get feedback on first draft of email sequence

Mini Objectives & Tasks to Achieve it:

- ☐ Mini Objective #1: Consult Ai
 - ☐ Use the prompt library to create prompt
 - ☐ Get Ai's feedback based on information provided
 - ☐ Make necessary changes
- ☐ Mini Objective #2: Submit emails to copy review channel
 - ☐ Organize my docs and WWP and prepare to submit
 - ☐ Paste google doc link into TRW chat and provide my main concerns.

Post-Session Reflection:

After sending to my client, she suggested a new email altogether for one of them, so the rest of the GWS was spent on that.

OBJECTIVE - Mon Sep 30

Main Objective:

- Call at least 50 leads

Mini Objectives & Tasks to Achieve it:

- ☒ ~~Mini Objective #1: Prepare for new objection with a sales GPT~~
- ☒ ~~Mini objective 2: Call each lead one by one. Aim to fit as many as possible into a 90 timeframe. Aim for 25.~~

- ☒ ~~Take 15 minute brain refresh~~
- ☒ ~~Do 25 more calls.~~

Post-Session Reflection:

Only got to 44. I fell 6 calls short. This is because, between my first one and my break, I took too long to find a spot to do the calls. Next time I'm going to move faster and focus on getting started as soon as possible.

OBJECTIVE - If extra time

Main Objective:

- Schedule all past content to Meta profiles

Mini Objectives & Tasks to Achieve it:

- ☐ **Mini Objective #1: Find all old content and posts since last post on Meta**
 - ☐ Put each one into a easily copy and pasteable doc
- ☐ **Mini Objective #2: Add each post to Meta, scheduled a day apart.**

Post-Session Reflection:

OBJECTIVE #7 - Date

Main Objective:

- Add testimonial to website

Mini Objectives & Tasks to Achieve it:

- ☐ **Mini Objectives:**
 - ☐ Open King kong page and note formatting
 - ☐ Open Maxingrowth
 - ☐ Find video section to add and add video
 - ☐ Format it
 - ☐ Optimize it to mobile

Post-Session Reflection:

- Notes

OBJECTIVE #8 - Date

Main Objective:

- Create hypothesis to increase landing page conversion rate

Mini Objectives & Tasks to Achieve it:

☐ Mini Objectives:

- ☐ Open hotjar ad sign in
- ☐ Monitor heatmaps and sessions
- ☐ Use Ai to create hypothesis
 - Create prompt
 - Insert information
 - Get information
- ☐ Submit landing page to TRW chat
 - Add WWP to doc
 - Insert landing page
 - Ask question

Post-Session Reflection:

- Notes
