

Hey (prospects name),

If you want to land more clients, I will help you step by step through leveraging Digital Marketing.

I'd be willing to work with you for free, in exchange for a testimonial, to prove I can provide you with amazing results.

We'll attract more clients, get more eyes on your service and make you stand out like a DIAMOND in a sea of pebbles compared to your competition.

If you're ready to take your career to the next level, get back to me and we'll go over a game plan.

Warm regards,

Christain L
