

Welcome to the Kolaru Thiru Padigam app for Android!

This is an open source Android app developed by krishnan r. The app is also available on Google Play.

As an avid Android user myself, I take privacy very seriously. I know how irritating it is when apps collect your data without your knowledge.

I have not programmed this app to collect any personally identifiable information.

If you find any security vulnerability that has been inadvertently caused by this app, or have any question regarding how the app protects your privacy, please send me an email and I will surely try to fix it/help you.

Yours sincerely,
Krishnan r
