

Local Healthcare Providers Offering Discounts for College of Education Required Medical Documents

Both of these healthcare providers are offering a discount rate to our WKU education majors for the two required health documents needed for admission into the Professional Educator Program.

WKU Health Center (Med Center Health)

- Students must show a WKU ID and bring a copy of the KY Dept. of Ed. form with them.
- Physical - \$45
- TB Skin Test - \$14
- [WKU Clinic Website](#)
- 1681 Normal Drive on WKU Main Campus, (270) 745-CARE (2273)
- To get this rate, students must identify themselves as a WKU Education Major student by showing their WKU I.D.
- Students should bring their own blank copy of the [KY Department of Education Physical form](#) to their appointment.
- Students may upload their physical/TB form to their Anthology account in the designated area.

We appreciate **Rapid Relief Urgent Care** and **Med Center Health WKU Health Clinic** for being strong supporters of our WKU College of Education by offering these discounts to our students. ****Students are not required to use either of these options.** Any licensed healthcare provider may provide these services. However, it is a requirement that the healthcare provider document their report on the [KY Department of Education Medical Form](#).
