

Enrichment Days 2022 - 2023

We have been planning Enrichment Days to increase the range of experiences across our school. To give you prior notice of events, we have mapped the days across the year, putting in as many dates as possible. Year groups have listed any dressing up days so you know at the start of the year if you need any specific costumes. Some events and dates are yet to be confirmed by external providers. This letter will be updated and sent out ahead of each term to give you further information and specific dates, as we go through the year.

To help support parents/carers to know how their children are progressing at school we have organised:

Progress Pop-ins - This is an opportunity for you to get an update on your child's learning and progress each half term by looking at their work and classrooms.

Pupil Review Meetings - a 1:1 meeting with your child's class teacher, Years 5 and 6 meeting will be with your child's set teachers. These are twice a year.

Parent Workshops - We will offer a range of workshops that provide information, support and guidance to parents and carers. Some of the sessions will help you to understand how the children are taught certain subjects and what you can do to help at home. The first workshops will be focusing on explaining our new Phonics scheme for Reception and Year 1.

Learn With My Child - An exciting opportunity to come in and help your child with their learning will be provided three times a year to each year group. This will allow for you to experience the learning that is at the heart of our curriculum.

Many thanks

Plumberow Primary Academy Team
