

{{Hey, Name}},

I wanted to send you a quick note to share some exciting news. We just launched another feature in \_\_\_\_\_ that \_\_\_\_\_ (fill in with something relevant here). This has been a massive game changer for many of our clients, as they've seen huge lift in \_\_\_\_\_.

I know our last touchpoint was back in \_\_\_\_\_. I'd love to reconnect and show you what we've baked into the product, and see if there's perhaps a path to continue the conversation.

Does it make sense at this point to reconnect?

Thanks,
