

It all started on the internet...

January 2009. Phil commented on Chris' youtube channel:

(1)

And followed him on Twitter:

(2)

They collabed only in June ([click here to watch](#)), but the outcome was precious.

(3)

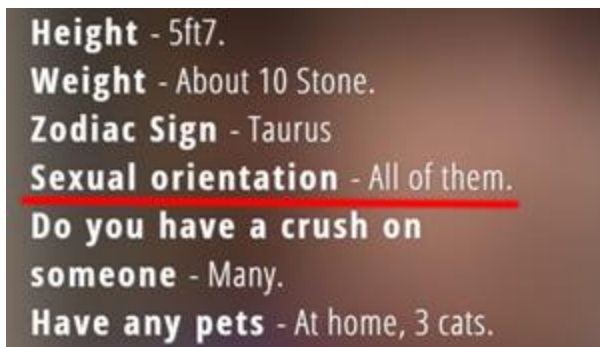

(4)

There are couple of things about Chris that are worth pointing out.

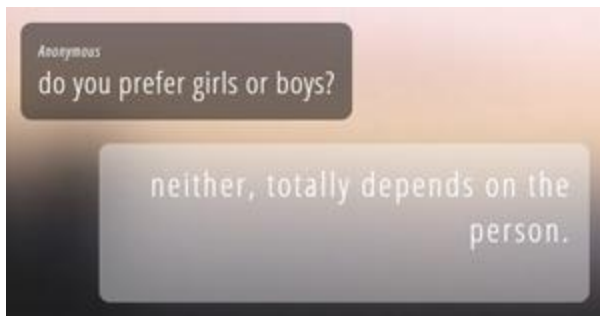

(5)

He is openly *not straight*:

(6)

(7)

It's hard to tell if he was single at the moment, but considering his activity on DailyBooth that I skimmed through, he most likely was not in a relationship.

End of June - July. Phil and Chris grow closer:

Phil mentions it in a vlog ([click here to watch](#)): 'But it was a really good day, and we went out for food, and Chris is really nice, and I wanna be best friends forever!'

Chris' response:

(17)

October. Phil anticipates the gathering:

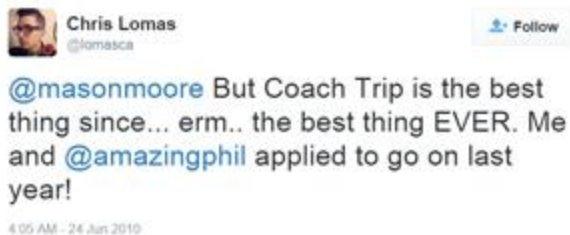

(18)

Date unknown. I presume, it's about Halloween.

(19)

Rumour has it, Dan Howell got in the way (hurr durr), but Phil and Chris were still drawn to each other.

(20)

They didn't stop talking.

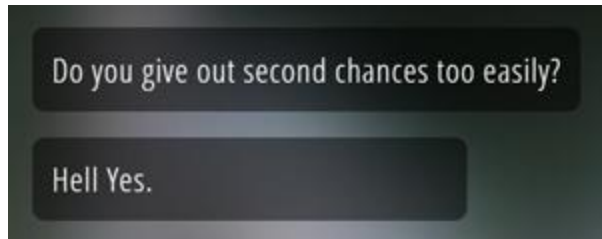

I deliberately omitted some of their online interaction, so this doc won't be too heavy. If you are interested, you can go through old tweets and DailyBooth. There probably are some flirtatious comments there, so give me a heads up if you find anything.

However, this tweet stands out. August 2011. Phil and Chris are at SITC.

Coincidentally, around that time Chris posted on Tumblr:
