

Elementary School Staff Award

The OAME/AOEM Elementary School Staff Award recognizes an elementary school accommodating any or all of grades K-8 whose staff fosters collaborative and excellent mathematics teaching; contributes to the overall development of student learning of mathematics; and demonstrates leadership in the mathematics community.

Award Nomination Process

1. As the nominator, provide a one page letter of recommendation explaining why you are nominating this staff. Note: the nominator must be an OAME/AOEM member to be able to make a nomination.
2. Provide up to three additional letters of support, of no more than two pages each. These supporting documents may be gathered from a variety of sources to reveal a full picture of the nominee. The support documents will provide precise information about the nominee's contributions as they relate primarily to this award. All documentation supporting a nomination should align to the OAME/AOEM Vision for mathematics teaching and learning. Support may come from a supervisor or administrator, parents of students, colleagues, former/current students, or other appropriate sources. The nominations will be assessed according to the criteria outlined below.
3. Complete Google Form and submit all required documentation to OAME Executive Directors at EDs@oame.on.ca by **January 31**.

Note: Curriculum vitae not required.

Elementary School Staff Award for Exceptional and Collaborative Mathematics Teaching Criteria:

- Fosters collegiality, teamwork and excellent classroom teaching
- Contributes to the overall development of students
- Demonstrates leadership in the math education community
