

2025 Leadership Recognition Award

Cindy and Heather Reetz, Town & Country 4-H Club

Cindy has been a project leader with Town and Country 4-H for over 20 years and Heather for 12 years.

Cindy and Heather have grown and developed our Cake Decorating Project into one of the club's top projects. Town & Country members enjoy learning about cake decorating techniques and creating beautiful cookies, cupcakes, and cakes to take home to their families. Members always enjoy attending their well-designed project meetings.

In addition, Heather and Cindy have been serving on the 4-H Bowl-a-Thon Committee for the past 7 years. They secure raffle prizes, assist in organizing the raffle items, and volunteer the entire day of the event. This event is a big fundraiser to secure funds for 4-H scholarships.

Finally, Cindy has given her time at the state level and was a volunteer for the "Summer Academy" in Madison this past year where she supported 4-H youth from across the state as they explored potential careers.

Cindy and Heather Reetz are great candidates for this award. Each year they give their time and talent to our 4-H youth. They're long-term commitment and service is truly what helps 4-H thrive and grow.
