Rainbow Factory AU Boundaries!

I want to make this very clear to everyone here.

These will be strict, and I'm a lot nastier about following them. I've seen how easy it is for everyone to disrespect Dodo, and that goes double for me, let me make that clear!

What am I allowed to do with the AU?

Fanart! of course this includes all kinds such as writing, crafting, drawing etc

TAG ME IN EVERYTHING! Please and thank you!

Fan characters are allowed for fun! However they are NOT cannon!

LIGHT and I MEAN LIGHT gore is allowed, I don't want to see people torn apart and guts in high end detail, please spoiler and add a TW to the post

What am i NOT allowed to do with the AU?

Hyper Specific RF!Wally Boundary

Now of course the BIG question everyone is actually here for. People are wondering if shipping is allowed regarding RF or not. Here's the deal, I will allow it FOR NOW! That's right, relationships, hugging, boyfriend girlfriend, or boyfriend boyfriend, whatever, allowed BUT BUT BUT, it can't be NSFW OR SUGGESTIVE IN ANYWAY SHAPE OR FORM!

I don't want excuses, if I think it goes too far, regardless of context, you're done, that's it.

Don't ruin this for people.

AU's of the "MLP rainbow factory" - YES!!

AU's of the "RF!Wally Rainbow Factory" - NO!!

(head cannons do not count, hc all you want)

"Why can't we make AU's of the AU itself?"

- The story is incomplete and I have people mix up the lore with other lore from other people. I do not do this as a "GRR THIS IS MY AU!!!" I do this to make sure information isn't confused or mixed up which I have seen on several occasions.

RF Merchandise

"Can I commission an artist for a keychain / standee / physical item / etc?"

- Yes I encourage you to comm artists! Just be sure the art being used is your own art or art you commed from someone else. Do not take random fanart to get turned into a physical piece of media.

"Can I see RF merchandise in mass quantities?"

- No, I ask at this time I ask you do not make mass quantities of RF merchandise to sell, this should be on a customer to customer basis.

"Isn't selling WH stuff against clowns boundaries?"

- It was and I heavily stuck to that but recently clown had lifted this to small items.
