Checking understanding

Asking someone to say something again

To have a look at the presentation above, please click on [here](#).

Can you repeat **that**, please?

Can you say **that** again, please?

That's not so clear.

Can you explain that in more detail, please?

For truly understanding, ...

Pardon?

Sorry?

Excuse me?

Vocabulary about understanding

Grips

to come to **grips** with sth <idea/situation> aceptar *or* asumir algo.

to get to **grips** with sth <subject> entender(*conj.*⇒) algo.

He soon got to **grips** with the new system

=enseguida aprendió el nuevo sistema.

I never managed to get to **grips** with the subject

=nunca llegué a entender del todo el tema.
