SEARCH FOR ESP GOLDEN BATANG BATANGUENO AWARDEE

As withheld in the memoranda released pertaining to Project RBB (Division Memorandum 40 s.2021 and Division Memorandum 436 s. 2021), a culminating activity should be done every end of the school year. To wit, "at the end of the school year, each school can hold a simple activity that will recognize the learners with the biggest breakthrough in their learning environment, behavior, domestic or family relationships, attitude and values. These learners can be awarded the title: ESP Golden Batang Batangueno Awardee (to be awarded in the Dangal EsP activity). In this simple way, EsP in SDO Batangas Province finds its way to help learners respond to the changes of time while remaining a good person in words, thoughts, and deeds."

Starting from SY 2021-2022, school based Dangal EsP will be the official culminating activity for Edukasyon sa Pagpapakatao, including RBB and all its projects and activities under Converge CID. Every year, Dangal EsP will be celebrated before the end of the fourth quarter

Objective of Dangal EsP

This activity aims to internalize DepEd Core Values: Maka - Diyos, Makakalikasan at Makabansa and EsP Core Values: Truth, Love, freedom, and justice.

Mechanics

1. Each school will have its own recognition day at the end of each school year as culminating activity of Retrospect Batang Batangueno.
2. To highlight the outstanding performances of the learners from each grade level, the school committee/panel will select one outstanding learner to exemplify the exceptional love, freedom, justice, and truth.
3. All documents of the recognition recipients (both learners whose names appear in the endorsement form) should be submitted in soft copies on or before July 3, 2023, until 8am and be presented during the search on June 03, 2022, at 10am.
4. The Recognition will be on July 10, 2023
5. Entry Qualifications: Learners:
 - Enlisted in the official class list of the school.
 - A recommendation letter executed by the adviser and counter signed by the subject teachers, recommended by the EsP head teacher/ Master Teacher, and duly noted by the school head; and
 - Letter of permission from the parents or guardian allowing the learner to join such recognition and undergo some activities to support the validity of the activity.

**Ulat Pasalaysay Tungkol sa Isinagawang Ebalwasyon
Para sa Dangal EsP Batang Matuwid
03 Hulyo 2023**

I. PANIMULA

Kasama sa paghubog ng pagkatao ng isang indibidwal ay ang patuloy na pagkilala sa kaniyang mga natatanging katangian. Ang ugali ay isa sa basehan na dapat patuloy na pinauunlad ng isang tao. Katulong nito ang paaralan na isa sa mga institusyon na magbibigay ng halaga sa mga gawaing makapagpapalago ng kaniyang pagkatao.

II. LAYUNIN

- ☐ Mabigyan ng parangal ang mga mag-aaral na nagpamalas ng katangi tanging pag-uugali kahit na nahaharap tayo sa isang pagsubok.
- ☐ Nabibigyang halaga ang mga naisumiteng dokumento ng mga mag-aaral na magpapatunoy ng kanilang kagalingan.
- ☐ Maging daan upang mapataas ang kumpanyansa o tiwala sa kanilang sarili sa pamamagitan ng Gawain.

III. ISINAGAWANG GAWAIN

Sa pangunguna ni G. Ericson B. Torres, isinagawa ng Departamento ng EsP ang pagpapakilala ng mga mag-aaral na magiging kinatawan ng bawat baitang sa isinagawang Dangal EsP. Ito ay ginanap noong ika 03 ng Hulyo, 2023. Ang mga lumahok sa nasabing Gawain ay 1 mag-aaral mula sa Baitang 7, 1 mula sa Baitang 8, at 1 mula sa baitang 9. Sa kabuuan nagkaroon ng tatlong (3) mag-aaral na buong tapang na hinarap ang hamon ng RBB at Dangal EsP.

Isa sa naging hamon sa mag-aaral ay ang presentasyon ng inihandang Powerpoint presentation na naglalaman ng mga dokumento na nagpapakita ng kanilang pagtanggap sa bawat hamon ng Retrospect Batang Batangueño.

Sa isinagawang pagkilala binigyan din ng pagkakataon ang bawat mag-aaral na maipakita ang kanilang naging pagtugon sa hamon ng RBB. Mula sa inihandang mga dokumento ang mga mag-aaral ay sumailalim din sa isang interbyu na pinangunahan ni Sir Ericson. Mahusay at matalinong sumagot ang tatlong mag-aaral na naging dahilan upang mahirapan ang mga hurado na pumili ng isang mag-aaral na hihirangin upang maging EsP Golden Retrospect Batang Bangueño.

Bunga ng pinagsama samang iskor hinirang sina Princess Angelique H. Gonzalvo (Grade 7) nakakuha ng ikatlong pwesto, Khenje Marie Malabag (Grade 8) para sa ikalawang pwesto, at

Jeseer John S. Abillar (Grade 9) para sa unang pwesto at ang napili at hinirang na EsP Golden Retrospect Batang Batngueño.

IV. PAGLALAGOM

Tunay nga ang binitiwang kataga ni Dr. Jose P. Rizal na “Ang Kabataan ay ang Pag-asa ng Bayan.” Nawa ang hamon ng Retrospect Batang Batangueño ay hindi lang matatapos sa naitala sa papel ngunit ito ay iasasabuhay at magiging instrumento upang maging modelo sa iba. Maliwanag na ang angking husay at galling ng mga mag-aaral na lumahok sa Gawain ay tunay na dapat ipagmalaki.
