Personal Passions and special Interests:

Organization, Professional, Community Affiliations:

Past board experience:

What is your interest in Zero Waste?

Why would you like to serve on the Zero Waste Humboldt board of directors?

ZWH board members serve a 3-year term, and **commit to 48-60 hours/year**. They provide leadership by fund development, setting oversight policy for the organization, long-term strategic planning, volunteering their time and expertise to help the organization grow with financial planning, and hiring and evaluating employees and contractors. In joining the ZWH board, members commit to the following:

1. Attend monthly board meetings (Meetings are scheduled in January each year at a regular time that all members are able to attend.)
2. Accept at least one responsibility or board function, such as: volunteer for events, responsibilities of President, Vice President, Secretary, Treasurer, or create a Committee Chair
3. Serve as ambassadors for the organization: attend meetings on our behalf, introductions and seek opportunities for ZWH to collaborate with local government, community and business leaders.
4. Work with the group in at least one major fundraising activity annually, such as: an event or direct solicitation campaign.
5. Notify the board in advance if you decide to resign from your service on the board and assist the board in recruiting your replacement.

Are you able to make this commitment to Zero Waste Humboldt?
