Candidates (3):

Amanda Yell

From the time I started volunteering at the House in high school, I have always loved being a part of the RMHC community here in Tucson. As a CPA, I work closely with McDonald's franchisees in Arizona and across the country, a connection that makes volunteering with the Red Shoe Society and RMHC feel like a perfect fit. Although I have been in Ohio for the past few years and have not had the pleasure of meeting all of the current Red Shoe members here in Tucson, I am very familiar with the RSS and its mission having been a founding member of the Tucson chapter, as well as having participated in the RSS chapter in Columbus, OH. I also have a depth of knowledge about the workings of the House overall from my experience serving on the Board of Directors and as the Treasurer of the Board prior to my time in Ohio. RMHC Tucson and RSS have a very special place in my heart, and I look forward to continuing to support this wonderful community!

Tabatha Schneider

RMHC holds a special place in my heart as a mother of two. While my passion for giving back is unwavering, joining Red Shoe Society provides a unique opportunity to channel that compassion directly towards supporting other families, making a meaningful impact during their most difficult times. I've loved serving as your Red Shoe Society and hope to continue to support the group in any way possible.

Megan Davis

I've found so much joy and passion in working with the Red Shoe Society over the last year or so and I am excited to bring new ideas to the group to further benefit the House and the families staying here.

Vice President

The Vice President shall assist the President in their duties, preside in their absence, and assume the Presidency in the event that the President is unable to complete their term of office. The Vice President shall, ideally, assume the position of President in the following year.
