C Em
I found myself dreaming. Of silver and gold.
Am F
Like a scene from movie. That every broken heart knows.
C Em
We were walking on moonlight. When you held me close.
Am F
Split second and you disappeared. And then I was all alone.

C C Em Em
I woke up in tears with you by my side. Breathe of relief and I realized.
Am F (C,G)
No, we're not promised tomorrow.

C Em
So I'm gonna love you like I'm gonna lose you.
Am F G
I'm gonna hold you, like I'm saying goodbye.
C Em
Wherever we're standing, I won't take you for granted.
Am F G
Cause we'll never know when, when we'll run out of time.
C Em
So I'm gonna love you like I'm gonna lose you.
Am F
So I'm gonna love you like I'm gonna lose you*

C Em
In the blink of an eye. Just a whisper of smoke.
Am F
You could lose everything. The truth is you never know.
C Em
So I'll kiss you longer baby. Any chance that I get.
Am F
And I'll make the most of the minutes. And love with no regret.

C C
 So let's take the time to say what we want.
 Em Em
 Use what we got before it's all gone.
 Am F
 No, we're not promised tomorrow.

C Em
 So I'm gonna love you like I'm gonna lose you.
 Am F
 I'm gonna hold you, like I'm saying goodbye.

 Wherever we're standing, I won't take you for granted.

 Cause we'll never know when, when we'll run out of time.

 So I'm gonna love you like I'm gonna lose you.
