EduPlay is a fun, educational app for toddlers to practice standing lines, sleeping lines, letters A-Z, and numbers 1-10 with voice feedback, repeat options, celebratory effects, and self-tests. We at **SR Enterprises** are committed to protecting your child's privacy. This Privacy Policy explains what data we collect, how we use it, and your choices.

- No user accounts or logins: We don't require emails, names, ages, locations, or device identifiers.
- App performance data: Minimal, anonymized crash reports (e.g., error logs without personal details) may be sent to help us fix bugs. This complies with Google Play's crash reporting.
- No ads or tracking: No third-party ads, analytics (like Google Analytics), or trackers (e.g., Firebase Analytics with user IDs).

All activities—like tracing lines, completing tasks, or playing sounds—happen locally on the device.

- Improve app stability and add features like new exercises.
- Ensure the app works on various Android devices.

We do not sell, share, or disclose data to third parties.
