

# Find A Pet Lyrics:

**Fluttershy:** Now, Rainbow my dear I cannot express my delight! It's abundantly clear that somewhere round here is a pet that will suit you just right!

**Rainbow Dash:** I can't wait to get started, but first let me set a few rules. It's of utmost importance the pet that I get is something that's awesome and cool!

**Fluttershy:** Awesome, cool, got it. I have so many wonderful choices, just wait you will see!

**Rainbow Dash:** I need something real fast like a bullet to keep up with me...

**Fluttershy:** Sure! How 'bout a bunny? They're cutsie and wootsie and as quick as can be...

**Rainbow Dash:** Cutsie, wootsie, have you even met me?

**Fluttershy:** Rainbow, have faith. You see, I will bet you, somewhere in here is a pet that will get you. Come on, the sky's the limit!

**Rainbow Dash:** Sky is good, I'd like it to fly...

**Fluttershy:** Really? Because I this wittle puddy tad has your name written all over it. Yes he does. Awww! And look, he likes you...

**Rainbow Dash:** Pass...

**Fluttershy:** I have so many wonderful choices for you to decide! There are otters and seals with massive appeal-

**Rainbow Dash:** Otters and seals do not fly...

**Fluttershy:** Maybe not, but I've seen this particular seal catch 10 feet of air when he breaches the water!

**Rainbow Dash:** That's it! I'm outta' here!

**Fluttershy:** Wait there must be a pet here that will fit the ticket... How 'bout a ladybug or a cute cricket?

**Rainbow Dash:** Bigger, and cooler!

**Fluttershy:** Bigger, cooler, right- I've got just the thing in that tree, Dash! Meet your new fabulous pet squirrely!

**Rainbow Dash:** It's just a squirrel...

**Fluttershy:** Not just any squirrel- a flying squirrel!

**Rainbow Dash:** Yeah, so, like I was saying. Fluttershy pal, this won't cut it, i need a pet to keep up with me. Something awesome! Something Flying! With coolness that defies gravity!

**Fluttershy:** I'm sensing you want an animal that can fly...

**Rainbow Dash:** Ya' think...

**Fluttershy:** I have plenty of wonderful creatures who soar in the sky! Like, a sweet humming bird or a giant monarch butterfly!

**Rainbow Dash:** Better, but cooler!

**Fluttershy:** I see. How 'bout an owl, or a wasp, or a toucan? There are so many wonderful creatures the likes of that. There are falcons and eagles, they are both quite regal, but perhaps what you need is a dark and mysterious bat!

**Rainbow Dash:** Now you're talking, but instead of just one stand out, now that's too many! So many choices and such riches of plenty...

**Fluttershy:** Not a bad problem to have if you ask me.

**Rainbow Dash:** The bat would be awesome, but the wasp I'm digging too. Have something in a yellow stripe bat?

**Fluttershy:** No... but I've got a hot pink flamingo, just dying to meet you...

**Rainbow Dash:** What to do, what to do?! Huh! A prize, that's it! There's really just one way to find out which animal's best! Hold a contest, of speed, agility, and guts that will put each pet to the test!

**Fluttershy:** Don't forget style, that should be considered...

**Rainbow Dash:** Then we'll be sure who's best for the litter!

**Fluttershy:** The one who is awesome is cool...

**Rainbow Dash:** Just like me...can't settle for less cause I'm the best.

**Fluttershy and Rainbow Dash:** So a contest we will see!

**Rainbow Dash:** Who's the number one greatest perfectest' pet...

**Fluttershy and Rainbow Dash:** In the world for me! May the games begin...

**Rainbow Dash:** And may the best pet win!
