8. A screen with the assessments you have selected will be displayed. On the LEFT hand side, there are options on how the data can be displayed. To hide an assessment that has been selected, choose **hide**. To keep only one assessment, select **hide the rest** on the assessment you would like to keep.

9. To see a comparison by student, click on **Growth View**. Use the up/down arrows on the assessment to order the scores and show the growth between the two tests selected.

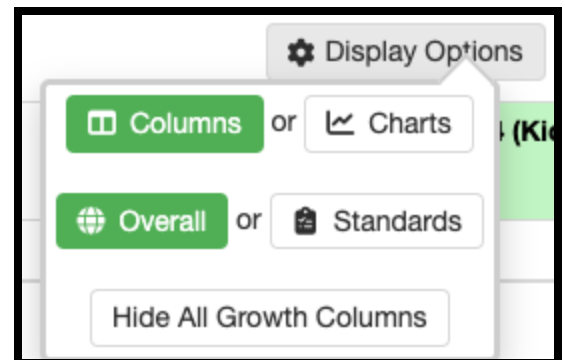

The figure is a screenshot of the Synergy interface showing the Growth View. The table displays student scores for two assessments: U9 Spell and U8 Spell. A red arrow points to the 'Growth View' button in the sidebar, and another red arrow points to the up/down arrow icon on the assessment header.

Name	U9 Spell - 01/29/24 - 03/08/24	U8 Spell - 01/22/24 - 03/08/24
