

Privacy Policy for Draw Trace Studio

Last Updated: July 14, 2026

This Privacy Policy applies to the mobile application Draw Trace Studio (the "App"). It explains how we collect, use, store, and protect user data when you use our drawing, tracing and sketching tools. This policy complies with Google Play privacy requirements, GDPR, CCPA and other global data protection regulations.

By using Draw Trace Studio, you agree to the data practices outlined below. If you do not accept this policy, please stop using the App immediately.

1. Information We Collect

We do NOT collect any personal identifiable information such as your name, email, phone number, location or payment data.

We only collect limited non-personal technical data for app optimization and crash fixing:

- Anonymous device information (device model, OS version, app version)
- Anonymous app performance and crash logs via Firebase
- Anonymous advertising ID for optional in-app ads display

Your creations are fully private. All drawings, traced artwork and user-generated content are saved only on your local device. We do not upload, collect or store your artwork on any server.

2. How We Use Your Data

All collected anonymous data is solely used for:

- Maintaining stable app operation and fixing bugs
- Optimizing drawing and tracing tool experience
- Providing and optimizing in-app advertisements
- Analyzing anonymous usage trends for product improvement

We will never use your data for illegal purposes or unauthorized commercial exploitation.

3. Third-Party Services

The App integrates trusted third-party services, which may collect anonymous non-personal data:

- Firebase: For crash reporting and performance monitoring, following Google's privacy standards
- Google AdMob: For serving targeted advertisements based on device advertising ID

All third-party providers are prohibited from collecting your personal data or accessing your local artwork files.

4. Data Sharing & Disclosure

We never sell, trade or share your personal data with third parties. We only share anonymous technical data with authorized service providers mentioned above. Data disclosure only occurs if required by mandatory legal obligations.

5. Data Storage & Security

User artwork content is stored locally on your device only. Anonymous server data is protected by industry-standard encryption and secure storage measures. We retain analytical data only for as long as necessary for service maintenance.

6. User Rights

Under applicable regulations, you have the right to view, restrict or request deletion of your anonymous data. You can disable ad personalization via your device system settings anytime.

7. Children's Privacy

Draw Trace Studio is suitable for users of all ages. We do not collect any personal information from children. We strictly comply with COPPA and global children privacy protection rules.

8. Policy Updates

We may update this Privacy Policy occasionally. Any changes will take effect immediately after publication with an updated revision date. Continued use of the App constitutes acceptance of the latest policy.
